Please note that: (*MLWF is charged only in case of withdrawal after 15 days of submission of the manuscript).

- An article cannot be withdrawn after the corresponding author has been intimated about its acceptance for publication, by the editorial office.
- The Chief Editor must be informed with an Article Withdrawal Form signed by all authors indicating valid rationales.
- A submitted manuscript will not be withdrawn from peer review until a withdrawal request form has reached the editorial office.
- Authors must not assume their manuscript withdrawn until they have received an acknowledgement letter from the editor's office.
