

OFFICE OF THE CHIEF EDITOR:: JOURNAL OF RESEARCH- ASSAM AGRICULTURAL UNIVERSITY
ASSAM AGRICULTURAL UNIVERSITY
JORHAT- 785013

No. AAU/EB/J.Res-1/ 2018-19/

/ Dated ...29.7.2019

NOTIFICATION

The Journal of Research- Assam Agricultural University, a half-yearly journal published from Assam Agricultural University, Jorhat during 1980 to 1990 was a scholarly, peer reviewed, scientific research journal of high standard and good standing during the 1980s and had enjoyed scientific trust and popularity among the agricultural scientists of the country. However, this journal of repute was out of print from 1991 due to various reasons.

During its Golden Jubilee year (2018-19), the University, with an intent of reviving the once-flourished journal and bringing it back to bloom, has constituted the Advisory Committee and the Editorial Board of the Journal and subsequently re-formulated and notified the Guidelines (including aim, scope and instructions to authors), subscription and other charges etc., which are now available in its official website (<http://www.aau.ac.in/research/journal-of-research>). It was decided that the Journal, for the time being, will retain the original name "Journal of Research- Assam Agricultural University" with the Print ISSN 0258-1728; however, its periodicity of publication will now be quarterly (March, June, September and December) instead of half-yearly.

This notification is served with a view to inviting original research articles (Full length paper, Short note and Review article) in agriculture and allied sciences, from researchers/scientists/ academicians, for publication in the revival issue, i.e. vol. 12 (1) of the Journal, which is open to all. The authors interested to submit articles, and institutions/ individuals willing to subscribe for the Journal are requested to visit <http://www.aau.ac.in/research/journal-of-research> and go through the relevant information in the site.

The undersigned expects kind and positive response from all concerned.
